This warranty does not cover products adversely affected by the system into which the products are incorporated, including improperly designed, installed, operated, or maintained systems, or systems using water containing corrosive chemicals, electrolytes, sand, dirt, silt, rust, and scale. This warranty does not cover component failures caused by lightning strikes, (with exception to 2 Wire as long as it's installed per our specification and grounded properly) electrical power surges, or damage caused by freezing environments. Underhill's liability is limited to the repair and/or replacement at Underhill's sole discretion, of products that are returned prepaid through the trade customer to the factory and found by Underhill to be defective, but in no event shall Underhill's liability exceed Underhill's selling price of the product. IN NO EVENT SHALL UNDERHILL INTERNATIONAL CORRRORATION BE LIABLE TO CUSTOMER OR ANYONE ELSE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, HOWEVER OCCASIONED.

The user and/or trade customer agrees to the limitations and exclusion of liability of this warranty by purchase or use of Underhill products. Some states do not permit the exclusion or limitation of incidental or consequential damages or of implied warranties. Therefore, some of the exclusions or limitations may not apply to you. Underhill reserves the right to redesign, alter or modify its products and shall incur no liability if a trade customers inventory of Underhill goods becomes obsolete. Alterations, modifications, and redesign of a product shall not be evidence that the previous product design was defective and the user and/or trade customer so agrees by purchase or use of Underhill products.
